SEPTEMBER 2020

Greetings in the Mighty Name of Jesus!

September is here, spring is back. It's that time of year where we see flowers start to bloom, trees about to produce summer fruits, the weather will become warmer and people will start to go out and about.

Although winter seems cold and lifeless, the truth is that spring reveals what winter did in secret. This is the challenge of God's people and His church.

Psalms 91:1 declares "He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty." The reason why so many don't seem to bear fruit the way we like, is because there is no secret place of personal commitment and consecration with God.

We see the fruit of so many powerfully anointed ministries and forget to understand the depths of their walk with God. But just like nature is at work in winter, preparing the soil and climate for the growth of spring, God is at work within His church, preparing His people for harvest and revival. Let me encourage you to find that secret dwelling place where God's presence ministers to and guides our hearts.

God bless,

Pastor Jacob
